There Is Danger

in dealing with irresponsible clothiers and cheap tailors. Appearances are deceitful, and when you find you have been deceived there is no recourse. We guarantee every garment we sell, no matter what they cost. Our Suits and Overcoats are precisely as they are represented to be, and the best values that the price can buy; any cause for dissatisfaction in fit or material will be remedied promptly and cheerfully. You may have your money back for the asking.

We Are Selling

twice as many of our Coats and Suits in this store than at any time during its history. There must be a reason for this—make your comparisons before buying. Something in the suit line that no other house in the city can show you. They are for the nobby dressers: Yale double breasted sack suit—real English, and Harvard double breasted, round corners, sack suit—something swell.

Extra large line of Children's Top Coats opened this week and now on sale at prices that'll please.
